

Nur Mushlichah

Junior UI/UX Designer & Frontend Developer

nurmushlica@gmail.com | +62 813 9429 8288 | Indonesia | <https://lica.klikytech.web.id>

PROFILE

A highly adaptable graduate of STMIK IKMI Cirebon's Informatics Engineering program and alumnus of SMAN 7 Cirebon. I have extensive work experience across various fields, from HR management (Panwascam 2023-2024) to operational services (F&B). I am skilled at creating visual designs using Canva. I am a hard worker, communicative, quick to learn, and highly committed to any given responsibility.

SKILLS

HTML, CSS, Responsive Layout (92%) | JavaScript (82%) | CodeIgniter 3 (86%) | MySQL (84%) | UI/UX Wireframe (88%) | Content Management (90%)

EXPERIENCE

Web Designer & Developer - Freelance

Jan 2024 - Present

Helped small businesses and personal brands prepare responsive websites, portfolio content, and simple admin systems.

Content & UI Contributor - Project Internal

Jan 2023 - Dec 2023

Prepared copywriting, layouts, and visual components so recruiters can understand information faster.

PROJECTS

Personal Portfolio System
